Dear Acting Superintendent Schott:

On July 30, 2018, the Department of Health & Human Services and the Department of the Treasury approved Maine's State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (ACA). Maine's approved application waives the ACA's requirement for the single risk pool to the extent necessary to implement a state reinsurance program called the Maine Guaranteed Access Reinsurance Association for plan years 2019 through 2023.

It is the Department of the Treasury's final administrative determination that Maine's pass-through funding amount for calendar year 2022 is \$45,821,025, which must be used for purposes of implementing Maine's State Innovation Waiver.

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,
