

Hospice Item Set (HIS)

February 26, 2021

Version 3.00 of the HIS Manual is Now Available

The Hospice Item Set (HIS) Manual V3.00, effective February 16, 2021, is now available. HIS Manual V3.00 has been updated from V2.01 to reflect the removal of Section O and associated measures. This new version of the HIS Manual and the related documents can be accessed in the **Downloads** section below. A summary of changes from V2.01 to V3.00 is also included below.
