Medicare and Medicaid Notice to the Public

Notice is hereby given that on April 12, 2022, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Ashton Court Care and Rehabilitation Centre, Liberty, Missouri as a skilled nursing facility in the Medicare program. In addition, as authorized by the Missouri Department of Health and Senior Services notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective April 12, 2022. These actions are taken because CMS has determined that Ashton Court Care and Rehabilitation Centre failed to attain substantial compliance with certain Medicare and Medicaid participation requirements as mandated by Sections 1819(h)(2)(C) of the Social Security Act and Federal regulations at 42 CFR §488.412 and 488.456). If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to April 12, 2022, the provider will remain active in the Medicare Program and CMS will not terminate their provider agreement.

Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after December 14, 2021. For Medicaid residents admitted prior to December 14, 2021, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after April 12, 2022, the date of termination.
