

## **Failure to File and Reconcile (FTR) Open Enrollment Direct Notice (2-year): Tax filers enrolled in 2024 Marketplace coverage who might lose financial help in 2025**

### **When do we send this notice?**

Consumers with Marketplace coverage who use advance payments of the premium tax credit (APTC) must file federal income taxes and reconcile APTC each year. If IRS records show that the household tax filer hasn't filed federal income taxes and reconciled APTC for the 2 previous years, the Marketplace sends the tax filer a notice like this one telling them to file a tax return and reconcile APTC for those years right away. The Marketplace sends this notice before the annual Open Enrollment Period.

### **What does the notice tell the tax filer?**

The 2-year FTR Open Enrollment direct notice:

- Explains the requirement to file federal income tax returns and reconcile APTC each year that the household has Marketplace coverage and uses APTC.
- Tells the tax filer that they're at risk of losing their household's financial help in 2025 if they don't file federal income taxes and reconcile APTC for the 2 previous tax years.
- Describes next steps for filing tax returns and reconciling APTC for previous tax years, if the tax filer still needs to do that.
- Encourages the tax filer to update their Marketplace application after filing federal income taxes and reconciling APTC so they'll get accurate eligibility results and have a better chance of keeping their financial help.

## Act now: You're at risk of losing Marketplace financial help in [next year]

Dear [Name 1]:

In [2 years ago] and [last year], you (or others in your household) used the premium tax credit, also called "financial help," to help lower the cost of Health Insurance Marketplace<sup>®</sup> plan premiums.

Every year your household has Marketplace coverage and uses the premium tax credit, you must file federal income taxes **and** reconcile the premium tax credit you qualified for with the amount you used. You must complete IRS Form 8962 "Premium Tax Credit (PTC)" and include it with your return. IRS calls the amount you used the "Advance Payment of Premium Tax Credit" on this form.

**IRS records show you haven't filed a federal income tax return or didn't include Form 8962 to reconcile the premium tax credit for [2 years ago] and [last year].**

- You **must** file these tax returns and reconcile the premium tax credit to continue getting this financial help to lower your Marketplace plan costs.
- **Act now or you'll lose any financial help (premium tax credit or extra savings) you may otherwise qualify for in [next year].** This means you'll have to pay the full cost for your Marketplace plan premium and covered services in [next year].

### What should I do next?

If you **already filed** [2 years ago] and [last year] federal income tax returns **with** IRS Form 8962:

1. Log into your Marketplace account and update your [next year] Marketplace application by December 15, [current year] for coverage starting January 1. Make sure all your information (including household income) is correct.
2. Check the box at the end of your application telling us you reconciled your premium tax credit for past years.

If you **haven't filed** your [2 years ago] and [last year] federal income tax returns or **didn't include IRS Form 8962**:

1. Log into your Marketplace account to get a copy of your IRS tax Form 1095-A for both [2 years ago] and [last year].
  - You can also call the Marketplace Call Center at 1-800-318-2596 for a copy of the form. TTY users can call 1-855-889-4325.
  - If you applied for coverage through a Marketplace enrollment partner, contact them for a copy of your IRS Form 1095-A.
2. Use your Form 1095-A to fill out IRS Form 8962 to reconcile your [2 years ago] and [last year] premium tax credit. You'll fill out a separate form for each year and include it with that year's tax filing.
3. File your [2 years ago] and [last year] federal income tax returns as soon as possible, even if you have an extension.
  - You **must** include Form 8962 when you file.
  - If you filed a federal income tax return for [2 years ago] and [last year], but didn't include Form 8962, you might need to file an amended federal income tax return (IRS Form 1040X).
  - Visit the IRS' Interactive Tax Assistant at [IRS.gov/help/ita](https://www.irs.gov/help/ita) or call the IRS at 1-866-682-7451, ext. 568 if you have questions about your household's tax filing status for past years.
4. After you file your [2 years ago] and [last year] federal income tax returns **with** Form 8962, log into your Marketplace account and update your [next year] Marketplace application. Check the box at the end of your application telling us you reconciled your premium tax credit for past years.

If you're not sure you have a Marketplace account through HealthCare.gov, or you think someone might have enrolled you in Marketplace coverage without your knowledge, call the Marketplace Call Center.
