**Medicare and Medicaid Notice to Public**

Notice is hereby given that on August 8, 2022, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Victoria Falls, Andover, Kansas, as a skilled nursing facility in the Medicare program. In addition, as authorized by the Kansas Department for Aging and Disability Services, notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective August 8, 2022. These actions are taken because CMS has determined that Victoria Falls failed to attain substantial compliance with certain Medicare and Medicaid participation requirements. If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to August 8, 2022, the provider will remain active in the Medicare Program, and CMS will not terminate their provider agreement.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after August 8, 2022. For Medicaid residents admitted prior to August 8, 2022, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after August 8, 2022, the date of termination.
