SUBJECT: Notice of CMS Kidney Care First Practices and Kidney Care Entities Participating in Performance Year 2024 of the of the Kidney Care Choices (KCC) Model

The Centers for Medicare and Medicaid Innovation is announcing that 23 CMS Kidney Care First (KCF) Practices and 100 Kidney Contracting Entities (KCEs) are participating in Performance Year 2024 (PY 2024) of the Kidney Care Choices (KCC) Model. These model participants, some of whom joined the model in PY 2022 and others who joined in PY 2023, will serve Medicare fee-for-service beneficiaries in 36 states as well as in the District of Columbia. Thirty-one of the KCEs will participate in the Global Option, 65 will participate in the Professional Option, and four will participate in the Graduated Option (Level 2).

The Innovation Center congratulates the following organizations and looks forward to their participation in the KCC Model:
