Centers for Medicare & Medicaid Services
ICD-10-PCS Topics Open for Public Comment
Spring 2025

We are providing the opportunity for the public to review recordings of the Spring 2025 ICD-10-PCS procedure code topics led by the Centers for Medicare and Medicaid Services (CMS). Please disregard the integrated transcript that scrolls to the right of the screen in the HTML recording.

The deadline to submit comments for procedure code topics being considered for an October 1, 2025 implementation is **April 18, 2025**. All meeting materials and related documents are available on the CMS web site at <https://www.cms.gov/medicare/coding-billing/icd-10-codes/icd-10-coordination-maintenance-committee-materials>. Additionally, CMS will post a question-and-answer document to address any clinical or coding questions that members of the public submit by the designated deadline.

Members of the public should send any questions or comments related to the procedure code topics that are under consideration for an October 1, 2025 implementation to the CMS mailbox at: ICDProcedureCodeRequest@cms.hhs.gov by the April 18, 2025 deadline.
