

Telehealth Patient Resource Available in 6 New Languages

The [Coverage to Care](#) (C2C) patient resource, [Telehealth: What to Know for Your Family](#), is now available in 6 additional languages: [Arabic](#), [Chinese](#), [Haitian Creole](#), [Korean](#), [Russian](#), and [Vietnamese](#).

These translations are available for download at go.cms.gov/c2ctelehealth.

Released earlier this year in [English](#) and [Spanish](#), [Telehealth: What to Know for Your Family](#) helps patients learn about:

- Types of care they can receive through telehealth
- How to prepare for an appointment
- What to expect during a telehealth visit

More COVID-19 resources are available in multiple languages at go.cms.gov/c2ccovid19 and go.cms.gov/omhcovid19.

We encourage you to share these resources to help everyone remain healthy during the COVID-19 public health emergency.
