

HPMS E-Mail

Date: January 7, 2010

Subject: Deadline for Submitting Enrollments with January 1, 2010 Effective Dates

The purpose of this e-mail is to remind Medicare Advantage Organizations that the deadline for submitting enrollments with January 1, 2010 effective dates is 9:00 p.m. EST, Friday, January 8, 2010. It is imperative that MAOs submit enrollment transactions timely and accurately for all of their members, so that CMS has the information in its system to determine how many beneficiaries impacted by plan non-renewals still have to choose a Part D plan. If you fail to submit your enrollments by this deadline, please notify your Account Manager by the end of the day on January 8.
