SUBJECT: 2011 “Medicare & You” Handbook – Plan Data Preview

As in past years, CMS is offering your organization an opportunity to preview how your plan data will appear in the upcoming “Medicare & You” handbook. This year, the preview period will be **Friday, September 3 through Wednesday, September 8**. Specific times will be provided in future notices. Please note that the Labor Day holiday falls within this preview period, as it did last year, so please plan accordingly. Please review your data as early as possible during the preview period to ensure these updates are reflected in a timely manner in the various materials and tools available to Medicare beneficiaries.

It is critical that you preview your data for accuracy. This data will appear in the following places:

- The “Medicare & You” handbook
- Numerous letters and notices mailed to LIS-eligible beneficiaries
- A variety of other materials and resources

You should carefully check all of the following for accuracy, including spelling, punctuation and capitalization:

- Organization marketing name
- Organization website address (**Please do not include the “http://” preface in your URL.**)
- Plan names
- Plan geographic or segment geographic names (**Please add spaces between geographic names and abbreviations to ensure proper formatting. Without these spaces, words may be cut in half when the text wraps around to the next line.**)
- Customer service phone numbers

Incorrect data is confusing to beneficiaries and time consuming for customer service representatives. CMS cannot be responsible for misspellings and typos that are not corrected during the preview period.

Here is an advance look at this year's handbook data to ensure this preview period is conducted efficiently. **Please review the following information carefully** in preparation for your preview.

For each state/area-specific handbook, there will be three sections of plan data. All organizations and plans are listed alphabetically.
