Subject: **Contract Year (CY) 2015 Medicare Plan Finder (MPF) Preview - Primary
Care and Specialist Cost Sharing Display Issue**

CMS has identified a bug with the CY 2015 MPF Preview. The primary care physician and specialist cost sharing fields were not displaying the applicable values for certain plan types.

This issue has now been resolved. All organizations should verify their MPF data by navigating to Plan Bids > Bene Education Data Previews > MPF Benefits Preview > CY 2015.

As a reminder, this preview period closes Friday, August 29 at 6:00 p.m. EDT.

We apologize for this inconvenience. Thank you for your attention to this matter.
