**E-mail text:**

On October 2, 2015, the Centers for Medicare & Medicaid Services (CMS) released the Health Plan Management System (HPMS) memorandum, *2014 Final Part D Payment Reconciliation*. In that memorandum, we stated that if the Part D sponsor wished to appeal, the request must be filed and received by October 15, 2015. That date is incorrect. The requests for reconsideration of the 2014 final Part D payment reconciliation must be filed and received by **October 22, 2015**.
