Comments	<p>New Mexico changed its EHB-benchmark in 2020 to come into effect in plan year 2022.</p> <p>In fulfilling the scope of benefit requirements at § 156.111(b), New Mexico used the United Healthcare Choice Plus plan offered in New Mexico in plan year 2014 as the basis for determining the scope of benefits provided under a typical employer plan (with the pediatric vision EHB category supplemented by the pediatric vision Children's Health Insurance Plan offered in plan year 2014 and the pediatric dental EHB category supplemented by the pediatric dental Children's Health Insurance Plan from plan year 2014). New Mexico also selected these plans as the basis to determine the most generous among a set of comparison plans.</p> <p>The state's completed application for EHB-benchmark changes is available for review at https://www.cms.gov/CCIIO/Resources/Data-Resources/ehb#New_Mexico.</p>
