**SUBJECT:** New York FIDA MMPs: Non-Renewal and Service Area Reduction  
Guidance and Enrollee Notification Models for January 2020

On September 25, 2019, the Centers for Medicare & Medicaid Services (CMS) released an HPMS memorandum entitled, “Non-Renewal and Service Area Reduction Guidance and Enrollee Notification Models.” That guidance included a model non-renewal notice for Medicare-Medicaid Plans (MMPs), Tab K.

The purpose of this memorandum is to provide non-renewing Medicare-Medicaid Plans participating in the FIDA demonstration in New York with alternate state specific non-renewal notices. The alternate model notices include language indicating that current enrollees will either be passively enrolled into either a Dual Eligible Special Needs Plan (D-SNP) offered by the same organization that offers their MMP or reassigned to a Part D stand-alone prescription drug plan by CMS. All New York FIDA MMPs will use the applicable attached model notices instead of the Tab K model included with the September 25, 2019 CY 2020 non-renewal guidance. All other requirements in the September 25, 2019 guidance apply to non-renewing MMPs in New York.
