

ICD-10-PCS 2014 Version

Final Addenda

Change Files

Changes to the PCS definitions between the 2013 version and the 2014 version are represented in the files summarized below. The first two provide a readable and printable representation in pdf format and a parallel version in xml format:

pcs_delchg_2013.pdf

pcs_delchg_2013.xml

- lists the invalid PCS code titles deleted since 2013 in PCS table format, followed by a code-by-code listing of the PCS code titles for which only the description has been revised, showing the old 2013 descriptions.

pcs_addchg_2014.pdf

pcs_addchg_2014.xml

- lists the new PCS code titles added for 2014 in PCS table format, followed by a code-by-code listing of the PCS code titles for which only the description has been revised, showing the new 2014 descriptions.

The third file, *pcs_diff_13_14.txt*, provides a complete listing of all addenda in a format suitable for processing by computer. This file has one record for each PCS code deleted since 2013, one record for each PCS code added for 2014, and two records for each PCS code for which only the description has been revised, the first showing the old 2013 description and the second showing the new 2013 description. The file is in PCS code order. Each record has the following format:

Position	Length	Contents
1	1	A if code added for 2014, showing 2014 description D if code deleted since 2013, showing 2013 description O if description only changed, showing 2013 description N if description only changed, showing 2014 description
2	1	Blank
3	7	PCS code added, changed or deleted
10	1	Blank
11	to end	Code description
