Slide 4 of 27 - Case Recovery - Rights and Responsibilities Letter

Case Recovery

Rights and Responsibilities Letter

- Sent to beneficiary when Medicare first learns of a case
- Confirms that an MSP recovery case has been established
- Needed to access/retrieve cases on the MSPRP
 - Includes Case ID

**Slide notes**

When Medicare first learns of a case, the Rights and Responsibilities letter is sent to the beneficiary. The letter confirms that a Medicare Secondary Payer (MSP) recovery case has been established and educates the recipient about Medicare's right of recovery.

Note: To access/retrieve cases on the MSPRP, you will need the Case ID.

The Case ID is a 15-digit number located on any case-specific correspondence received from Medicare such as the Rights and Responsibilities Letter or Conditional Payment Letter.

Slide 5 of 27 - Case Recovery

Case Recovery

Identify the conditional payments paid by Medicare that are being claimed and/or released with respect to the

Accident

Illness

Other Incident

from the date of incident through the date of settlement, judgment, award, or other payment

Conditional payments are identified based on a number of criteria including ICD-9 or ICD-10 Diagnosis Codes and Dates of Service

Slide notes

Once Medicare has information concerning a potential recovery situation, it will identify the conditional payments paid by Medicare that are being claimed and/or released with respect to the accident, illness, or other incident from the date of incident through the date of settlement, judgment, award, or other payment.

These conditional payments are identified based on a number of criteria including ICD-9 or ICD-10 (International Classification of Diseases, 9th or 10th revisions) Diagnosis Codes and Dates of Service.

Slide 6 of 27 - Conditional Payments

Conditional Payments

Payment made by Medicare for services on behalf of a beneficiary when the primary plan does not pay promptly

Must be repaid to Medicare when a settlement, judgment, award, or other payment is secured

**Slide notes**

These payments are referred to as conditional payments because the money must be repaid to Medicare when a settlement, judgment, award, or other payment is secured.

Note: The MSPRP permits authorized users to notify CMS that a specific case is approaching settlement and request that the case be a part of the Final Conditional Payment process.

To automate the redetermination process, the debtor and their authorized representatives can submit a redetermination request (first level appeal) on the MSPRP for BCRC or CRC cases.

For CRC cases, authorized users may request an update to the conditional payment amount.

After a conditional payment notice (CPN) or a conditional payment letter (CPL) has been issued, users may submit unlimited disputes any time prior to the case being demanded. Authorized representatives will be able to submit a redetermination request and reason to request once per claim/line item.

Further information on these processes can be found in Chapter 14 and 15 of the MSPRP User Guide.

Slide 7 of 27 - Warning - Confirm Request to Submit a Redetermination Page

The screenshot shows the Medicare Secondary Payer Recovery Portal. At the top left is the CMS logo (Centers for Medicare & Medicaid Services). To its right is the page title "Medicare Secondary Payer Recovery Portal" and a photo of a smiling couple. A green navigation bar contains links: Home, About This Site, CMS Links, How To..., Reference Materials, Contact Us, and Sign off. The main content area has a yellow background and is titled "WARNING – Confirm Request to Submit a Redetermination (First Level Appeal)". A "Print this page" icon is in the top right of the content area. The text explains that a redetermination is the first level of the Medicare Appeals Process and provides details on the 120-day deadline and the need for supporting documentation. It also states that a decision will be made within 60 days. At the bottom of the content area are two buttons: "Continue" (green with a right arrow) and "Cancel" (grey with a red X). To the right of the main content is a "Quick Help" box with a link to "Help About This Page". At the bottom of the page is a blue footer bar with links to "CMS/HHS Vulnerability Disclosure Policy", "Privacy Policy", "User Agreement", and "Adobe Reader".

Slide notes

When submitting a redetermination, a new warning page will appear. This page will permit the user to confirm if redetermination is what they are selecting.

For CRC cases, authorized users may request an update to the conditional payment amount.

After a conditional payment notice (CPN) or a conditional payment letter (CPL) has been issued, users may submit unlimited disputes any time prior to the case being demanded.

Further information on these processes can be found in Chapter 14 and 15 of the MSPRP User Guide.

Slide 8 of 27 - Conditional Payment Letter

Conditional Payment Letter

- Sent 65 days after the Rights and Responsibilities letter
- Sent to authorized parties
- Identifies the Current Conditional Payment Amount
- Includes Payment Summary Form

Slide notes

Sixty-five days after the Rights and Responsibilities letter is sent, the Conditional Payment letter will be sent to all authorized parties on the case.

This letter identifies the conditional payments that Medicare has made to date that are related to what is being claimed and/or released with respect to the accident, illness, injury, or other incident.

It also identifies the total Current Conditional Payment Amount and includes a Payment Summary Form.

Note: When a case is in the Final CP process and you request a conditional payment letter, electronic or mailed, you will receive either the Notice of Anticipated Settlement Letter or the Final Conditional Payment Letter, depending on the status of your Final CP case.

For CRC cases, users may request an electronic conditional payment letter (eCPL) or a mailed copy of the conditional payment letter.

Additionally, if requested, users will also receive an electronic or mailed version of the “no claims paid” letter for CRC cases where the overpayment amount equals zero.

Slide 22 of 27 - Conditional Payment Notice

Conditional Payment Notice

If you receive a CPN, you have 30 calendar days to respond

If you agree with the Conditional Payment Amount on the CPN, you can initiate the demand letter early

Slide notes

The beneficiary will receive a Conditional Payment Notice (CPN) instead of a CPL when a settlement, judgment, award, or other payment has already occurred when the beneficiary first reports the case.

A CPN will also be issued to the beneficiary when the BCRC is notified of settlement, judgement, award or other payment through an insurer/workers' compensation entity's Medicare, Medicaid, and SCHIP Extension Act (MMSEA) Section 111 report.

The insurer will receive a CPN when the insurer has notified CMS that it has primary payment responsibility for certain care and Medicare has made conditional payments.

This notification may be through MMSEA Section 111 Reporting, or other notification made to the BCRC (i.e., telephone call or written correspondence).

The CPN provides conditional payment information and advises what actions must be taken. After the CPN has been issued, the debtor has 30 days to respond before the demand will be issued.

However, if you receive a CPN and agree with the Conditional Payment Amount listed in the letter, you have the option to initiate the demand process early.
