

**TABLE 4J.—PROPOSED OUT-MIGRATION ADJUSTMENT FOR ACUTE CARE HOSPITALS--FY 2012**

The following list represents all hospitals that are eligible to have their wage index increased by the out-migration adjustment listed in this table. This adjustment is effective for 3 years. Hospitals cannot receive the out-migration adjustment if they are reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act. Hospitals that have already been reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act are designated with an asterisk. We will automatically assume that hospitals that have already been reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act wish to retain their reclassification/redesignation status and waive the application of the out-migration adjustment. Section 1886(d)(10) hospitals that wish to receive the out-migration adjustment, rather than their reclassification, must follow the termination/withdrawal procedures specified in 42 CFR 412.273 and section III.H.3. of the preamble to this proposed rule. Otherwise, they will be deemed to have waived the out-migration adjustment. Hospitals redesignated under section 1886(d)(8)(B) of the Act will be deemed to have waived the out-migration adjustment, unless they explicitly notify CMS that they elect to receive the out-migration adjustment instead within 45 days from the publication of this FY 2012 IPPS proposed rule. Waiver of reclassification under 1886(d)(8)(B) of the Act in order to receive the out-migration adjustment is effective for the full 3 years of eligibility. Providers should keep track of their 3-year period to ensure that if they, again, qualify for an out-migration adjustment, they follow the 45-day procedure for waiving their Lugar status under 1886(d)(8)(B).
