### **Memorandum Summary**

- **CMS National Background Check Program Training Meeting:** Scheduled for May 12-14, 2015, in Baltimore, Maryland.
- **Grantee State Required Attendance:** States receiving Background Check grant funds are required to participate in person.
- **All States, regardless of National Background Check Program participation, are invited to this training.**

### **Background**

The CMS is pleased to announce that the 5<sup>th</sup> CMS National Background Check Program (NBCP) Training Meeting is scheduled for two and half days, May 12-14, 2015, at the Holiday Inn, Inner Harbor Hotel, 301 Lombard Street, Baltimore, Maryland. This training will provide education to NBCP grantee States, as well as those States interested in establishing or improving their background check programs for long term care providers and facilities. Grantee States are required to send three attendees to the training, using grant funds.

This training is part of the technical assistance CMS is providing to States as part of Section 6201 of the Affordable Care Act, which requires the Department of Health and Human Services to establish a nationwide program for long term care facilities and providers to conduct background checks on a statewide basis on all prospective direct patient access employees.

Presentations and panels during the 5<sup>th</sup> CMS NBCP Training Meeting include State collaboration, rap back technology, program sustainability, and provider rollout. States will have the opportunity to network with other grantee and non-grantee States. This is an opportunity for participants to learn from each other and attend formal educational sessions.

If you are a non-grantee State interested in attending the 5<sup>th</sup> CMS NBCP Training Meeting at your own expense, please visit the registration website at <http://bgcheckinfo.cna.org/?q=AnnualTraining>.

**Effective Date:** Immediately. If you have questions about the training you can contact Kellie Jakaitis via email at [kellie.jakaitis1@cms.hhs.gov](mailto:kellie.jakaitis1@cms.hhs.gov).
