

Centers for Medicare & Medicaid Services
Special Open Door Forum:
Non-Emergency Ambulance Transportation (NEAT)
Templates and Clinical Data Elements (CDEs)
Thursday, July 26, 2018
2:00pm-3:00 pm Eastern Time
Conference Call Only

PCG will host a Special Open Door Forum (SODF) to allow physicians, provider and supplier professional associations, and/or all other interested parties to provide feedback on the draft Templates and CDEs for NEAT services that are posted on the CMS.gov website. The printable clinical templates and suggested CDEs describe the data elements that CMS believes would be useful in supporting the documentation requirements for coverage of scheduled and repetitive NEAT services, as follows:

1. Order / Physician Certification Statement (PCS)
2. Progress Note
3. Prior Authorization (PA) Request

The NEAT Templates and CDEs will be available on the CMS.gov website just prior to the SODF, and can be accessed through the link below:

<https://www.cms.gov/Research-Statistics-Data-and-Systems/Computer-Data-and-Systems/Electronic-Clinical-Templates/Other-Benefit-Templates/Other-Templates-Non-Emergency-Ambulance-Transportation.html>

Providers and IT vendors can choose whether or not to use the printable clinical templates and/or the suggested CDEs. The suggested CDEs aren't a form, but a tool that IT vendors can integrate into electronic health record (EHR) systems to create prompts to assist providers with their medical record documentation for Medicare purposes. The templates and CDEs are intended to be a helpful guide, but every section may not apply to all types of patients' services. Providers can choose the information or CDEs that do apply. Once completed by the physician or other practitioner, the resulting documentation would become part of the medical record.

To better assist providers in medical record documentation, for Medicare Fee for Service purposes, CMS has developed lists of clinical elements within a printable clinical template. This development will allow EHR vendors to create prompts to assist the practitioner when documenting. These Templates and CDEs for NEAT services are some of the many on the list of topics posted on our website.

Feedback and questions on our drafts can be sent to: clinicaltemplates@cms.hhs.gov. We look forward to your participation.

Special Open Door Participation Instructions:

Participant Dial-In Number: 1-(888)-989-4575
Conference ID: 3068545

For automatic emails of Open Door Forum schedule updates (E-Mailing list subscriptions) and to view Frequently Asked Questions please visit our website at <http://www.cms.gov/OpenDoorForums/>.

Thank you for your interest in CMS Open Door Forums.

Note: TTY Communications Relay Services are available for the Hearing Impaired. For TTY services dial 7-1-1 or 1-800-855-2880. A Relay Communications Assistant will help.
